# How it Works

For each section, pick one of the options to read from. While you read think about some of the questions below. You might have other questions too, and that's great! Ask an adult what they think about your questions. Our challenge to you is to finish the sheet, pick your favorite story that you read and send us a 30 second video about what that particular story means to you. If you finish everything we'll send you a prize from our General Store AND you'll be entered to win a \$50 voucher to use on any of our Summer Camp or Year Round Programs!
