- Cash
- Jewelry/Other Valuables

CHECK-IN AND CHECK-OUT

Check-In
7:15 - 8:15am
Horton Lodge

Check-Out
4:30 - 5:30pm
Horton Lodge

During Monday's Check-In, we'll check camp store deposits, have everyone go to meet the Camp Nurse to review your medical forms, and then to the counselors! Once all campers have arrived, we'll take them down to breakfast. Day Campers swim daily, weather permitting. We will check photo ID at Check-Out with the approved list of authorized individuals confirmed at Check-In.

FREQUENTLY ASKED QUESTIONS AND POLICIES

- How can I **communicate** with my camper? Campers can receive snail mail at our address (922 W Mt Gallant Rd, York, SC, 29745) or e-mails at campermaile@bethelwoods.org. Campers may purchase e-mail sheets in the camp store. Campers are not allowed cell phones at camp. Visitors during camp session are highly discouraged, as this interrupts the development and group formation that's core to the camp experience.
- What are the **behavioral expectations** of campers? Campers are part of "family groups" based on their age/camp they registered for. These groups do all activities together, from meals to worship to canoes. Counselors rely on positive encouragement as a first tool, to encourage the camper to join in the group. Examples of further discipline could be some time out from a given activity to cool down, or a processing conversation with a member of leadership staff. Repeated behavior will result in calls home and possible dismissal from camp for the remainder of the session. Bullying, in any form, will result in immediate contact to parent or guardian and possible dismissal from the session. Physical violence (throwing, hitting, etc.) will likewise be grounds for immediate parent or guardian contact and dismissal for the remainder of the session.
- What can my camper get from the **camp store**? Every camper receives a t-shirt with the cost of registration to camp. Campers usually visit the store 2-3 times, to purchase snacks, water bottles, decals, or apparel. We put a \$20 maximum that can be loaded either online or check-in. Our Camp Store does not accept cash from campers.
- What if my camper takes **medication**? We have a Camp Nurse who is present at Check-In and each day at camp. All medication must be given to the Camp Nurse, who will oversee and ensure its proper administration. In addition, each counselor is First Aid/CPR certified.
- What training does the **summer staff** receive? Our counselors undergo two weeks of intensive training. We have a number of experts who cover topics from Child Development to Bible Study (and Archery, Canoeing, Arts & Crafts...) We stand by our extensive training program, which is among the longest and in-depth you'll find anywhere.
- What sort of **food** is served at camp? Our kitchen provides child-friendly meals with plenty of nutritious options. We do know how to cater to picky eaters! We are able to meet most dietary needs (i.e. Vegetarian or Gluten-Free) and review Health Forms to ensure we're aware of any allergies.

**MORE QUESTIONS?
WE'VE GOT ANSWERS!**

**1. Check out the website:
