

Summer Camp:

- Bethelwoods Summer Camp Programs have a \$50 non-refundable deposit which is due at registration. Remaining fees for the summer camp session are due by check-in for the program. In the event that your child is unable to attend, all fees except the deposit are refundable.
- **COVID-19 Update:** We understand that families are dealing with a lot of uncertainty during this time. To help ease that uncertainty we are making all fees for summer camp programs 2020, including the deposit, refundable if either the program is cancelled or you are unable to attend the program due to conditions surrounding COVID-19. You may also choose to forward all fees to another session or to donate all or part of the fees to the ministry of Bethelwoods. *Note: Cancellations unrelated to conditions surrounding COVID-19 will still be subject to the original policy.*

Guest Groups:

- Bethelwoods Guest Groups are required to pay a 25% deposit to hold their reservation. If a group wishes to cancel their reservation within 90 days of the event date the deposit is non-refundable. All other fees paid can be refunded or moved to another reservation. If a group wishes to cancel their reservation outside of the 90 day window, all fees paid including the deposit can be refunded or moved to another reservation.
- **COVID-19 Update:** All cancellations of reservations between now and May 10th will not forfeit their deposit. If we reschedule your group to a later date, all deposits and fees associated with your event will be forwarded to that new date. If you choose to cancel your event all together you will be reimbursed for the deposit and all fees paid towards your event.
